

TECHNICAL PROJECT HACKATHON AISSMSCOE PUNE

स्वयंसिद्ध टेक्निकल हॅकाथोन 2020

Rules regarding the presentation

1. Participants selected in the Round 1 will have to give a brief presentation on the idea.
2. Selected participants will have to present the idea on given platform.
3. The presentation has to be based on the submitted idea in Round 1 only. Otherwise, the team will be disqualified.
4. All the participating teams have to login for presentation of their ideas 10 minutes before the given time to make sure of all the technicalities during the presentation.
5. The time limit for a presentation is 10 minutes. After 12 minutes, the presenter will be given a stop alarm.
6. Before proceeding with the presentation, all the team members are requested to switch on their video and if required they can unmute themselves.
7. Other teams should switch off their microphone and video when 1 team is giving their presentation.
8. Time limitation should be strictly followed.
9. Teams should not share their information such as city, state, name of institute at the time of presentation.
10. Only jury members will ask questions to the presenter.
11. Participants may leave the meeting once they have finished with their presentation.
12. E-certificates will only be provided to those participants who have completed their presentation.

Guidelines:

- The dates regarding Round 2 will be updated on the website
- The practical implementation or the final round of the selected projects/ideas will be conducted after the reopening of institutes.
- The final round may also be conducted online depending on the situation of reopening of the institutes. The responsibility regarding the changes will be taken by the organizing institute. Respective participants will be updated for any changes in the timeline/programme.
